

# Mountain of Food

## 2016 Order Form

For more than 25 years, St. Mark's has had a "Mountain of Food" drive each May. Each week, cases of food are purchased and the "mountain" grows. At the end of the month, the food is taken to the Olathe Food Pantry in the hope that it will help their ministry during the summer months.

This order form for the "Mountain of Food" drive will be available each Sunday during the month of May. Just fill it out and place it, along with your check made out to St. Mark's (note "Mountain of Food" on the memo line) or money, in the offering plate. You can also send your order form and check/money to the church office anytime during the month. We will buy the food according to what you order. Check out the mountain in the narthex weekly to see the progress we've made!
